

Hampton Electoral Board Meeting
March 1, 2023 10:00 a.m. in the Registrar's Office

In attendance: Rebecca Winn, Chair; Thomas Harmon, Vice Chair; Matt Scott, Secretary; Tara Morgan, Registrar

Meeting called to order: 10:19 a.m.

Continued from last meeting:

Matt is writing a letter to the City Manager, from the EB, requesting designated parking spaces for voters and visitors to the Registrar's office. This letter will not address security issues related to the building as this will be addressed at a future time. The sheriff's office is planning to have the front door to the building "manned" at some point. There is some question as to the legality of having a uniformed officer at a door while an election was happening in the building. Research will be done on this. Contact will be made with City Atty Cheran Cordell Ivery on this.

"I Voted" sticker contest. It's possible that we will have both an early voting sticker, and an Election Day sticker. If the Art classes cannot schedule time for their students to do drawing in class we will request that they hand out the information on the contest for the students to do at their convenience and turned in to be considered. It may be possible for us to include educational information on voting with the guidelines.

Meeting was adjourned at 10:54 to go into closed session.

The matter to be addressed in closed session is Election Security.

Open meeting was rejoined at 12:10 p.m.

Motion was made and seconded to delegate to the Registrar's office the Absentee function and the responsibility and authority to print ballots for all elections in 2023. Motion passed.

Next meeting will be March 29 10:00 a.m. in the Registrar's office. This extra meeting is to discuss Election Security.

Adjournment is at 12:18 p.m.

Sincerely submitted,
Matt Scott, Secretary
